“ Carolyn's Family,
I loved Carolyn as everyone who knew her did. She was truly a Christian. I will miss her more than words can tell you. Carolyn was devoted to you. “ Jana, I was so sorry to hear about your Mom. I have such great memories of your Mom as our Girl Scout Leader. She always had such great arts and crafts....I still have a lot of them. I remember the camp out where we WALKED from Whitehouse to a camp near the lake, spent the night and then made fires inside tin cans the next morning and cooked our own breakfast ! At the time I just thought it was fun to be with my friends. Now that I am a mom I can appreciate both the time and effort it took, how we must have driven her crazy at times and how much patience and caring she had. She was always eager to see us, interested in the little stories of our lives and even years later she still thought of us as "her girls." She made a difference and she took the time to make a difference. I remember the special efforts she made when my Dad passed away. Please know she was a special part of my life and I am thinking of you guys as you remember her.

“ *What a dear person Carolyn was and such a wonderful neighbor to my parents for the past 10 years. I feel priviledged to have been one of the people that she entrusted the care of their dog, Walker, to. There will never be another like her--always thinking of others first (be it people or animals). We will miss you!*
