“ *Mary Jo, I had you on my mind, but too late to get in touch. You were a beautiful person, so tiny and full of life. I use to work with you back in the 70's at PREMETCO and that was where I met Rex. You and I went to Dallas one weekend to relax but came home next day because you missed your kids and Rex. It was a perfect match. My name use to be Sue Moss. You will truly be missed by all who knew you and after 40 years, I never forgot you. Will see you in heaven later.*

“ My family got to meet Mary Jo and Rex during one of our family Christmas in Tucson, Arizona when we had Pam, John and the boys with us. That Christmas, our family grew by two more just having them join our Christmas celebration for that week. Mary Jo made a lasting impression on all of us to this day. She was gracious, thoughtful, loving, and the type of person that made you feel like you knew her all your life. She will be missed, but just knowing she will be looking from heaven to watch over her family will give comfort to all. God bless you all, The Benton family.
