“ *Cloford and Family,
I was saddened to learn of Mary's passing. I have truly missed you both since you left Benton. I will always remember her happiness and joy that was so evident in her life. She made me feel so loved as a friend. I thought it was so sweet of her to call me when my mom passed away nearly two years ago. It was so like her to think of me. You and your family are in our my prayers.*

“ Have joy in knowing that Mary touched so many lives in such a special way. I know she did mine and I cherish the memories I have of her through the years. I am going to miss my annual Christmas card as I always knew hers was going to be the first one I received. She was a wonderful Christian lady and was very special to all of the Smith family for many, many years. May God comfort you through this difficult time. I will continue to keep you in my prayers through the days ahead. In Christian love, Linda

“ Even in your sadness,
we hope you can hold on
to the thought that a life
lived with so much love
never really ends,
but goes on forever in the hearts
of those who remember...

Mary was a precious friend...
I am so glad I knew her and Clofford...
