“ *Brother Schambach and Donna you are the only 2 I have the pleasure of meeting. I think your wife and your mom Donna was so pleasant. I can always remember her smiling and and excited when Gods word was being Preached. She truly was a woman of God. I love you Brither Schambach and Donna, I will keep you in my prayers always.*

“ I knew her as "Sister Schambach" and she was a wonderful, faithful, Godly woman, and indeed a perfect portrait of Proverbs 31. Sister Schambach was always a blessing and encouragement to me. She is rejoicing before her King today..thank you Jesus!! 2 Corinthians 5:8

We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord.

God Bless you Brother Schambach during your time of grief and know that we are thinking of you and your family and you are all in our prayers. May the Holy Spirit soothe your heart and give you comfort. I wish my wife Marva could have met Sister Schambach. We look forward to that great reunion day when we will all see each other again. John 14:1-3

Let not your heart be troubled: ye believe in God, believe also in me.

In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you.

And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.

Because of Christ

“ *Brother Schambach,
Our hearts melt within us, knowing you have lost the love of your
life. Never have we known a more exquisite example of a godly
woman.
We know how deeply she will be missed. But we also know she will
be waiting for all of her loved ones on the other side of the veil.
May you all find comfort in knowing she has finished the race, and
has many rewards to lay at the Master's feet.
You are always in our prayers.

“ *God not only gave us Jesus for salvation but he also gave us a
Daughter full of love and mercy. She also had such gentile eyes for
all whom she would come into contact with and a big heart for the
lost. Thank for the words of encouragement and allowing me to
wave those banners to Jesus in worship. I will miss her dearly while I
am here, but we can have hope we will see her when we reach the
other side because we have Jesus.*
