“ *There's no way to put my feelings into words. Matt (Matthew) was not only a valued employee, he was part of our work "family". Our employees are all very close and I feel like a member of my own family has left me.*

I met Matt in August 2003 when he came to my office looking for a job. Since that time, I have gotten to know Matt in several different ways. I know Matt had a good heart, loved his children and family. I also know he did not like farm work! There is a void in my heart next to others of whom I have loved and lost. Matt will be there forever.

“ *I have worked Matt for over 7 years. We hit it off from day one, we have always been friends since. He was a very intellegent and hard working person, with a very good heart. he was a groomsman in my wedding.*

*I loved him and will miss him terribly.
Sincerly Mike.*

“ Jessica & Family,

I give you my deepest sympathy and regrets for your loss. I knew Matthew in High School. He was always the life of the group, with that special twinkle in his eye. He was always smiling with his positive outlook on life. He will be missed by the people who he had the chance of touching through his life.

Jessica,

I love you deeply!!! I'm truly sorry for your loss. As a wife and mother, I can only imagine the pain you are feeling. Take comfort in knowing you are surrounded by people who love and support you! Matthew will always be with you in your heart. We are praying for you and your family. Know God is with you, and your family.

Respectfully Yours,

Janelle S North-Clark & Family
