“ Rose, Martha Wright O'Dell, and Alice Davis Wright were best friends all thru high school. We were the Four Musketeers, I guess you could say. We enjoyed Slumber parties, and Roe and I double dated sometimes. When we went on our Senior Trip, Marth and Alice didn't go, but Rose and I had such a great time together and had wished the other two ha come also. I have lived down on the coast outside of Corpus for 37 years and the last time I saw Rose was when my Mom died and so many of my classmates where there. But we had kept in contact all these years. After I married, we moved to Ohio and Rose and I wrote. Moved back to Texas in '72 and we wrote and exchanged Christmas cards. It is hard for me to believe she is gone. She was so very proud of her family and we often talked about our grandkids. Even though we lived 400 miles apart and only "talked" thru letters and FB, I miss her. We started first grade together, graduated together and never lost contact. RIP my dear friend, I miss you.

“ Rose was one of my sister's best friends all through school in Whitehouse. There was a group of about 5 girls that always did things together. She was such a sweet person. My prayers go out to her family and friends.
