“ I'm extremely heavy hearted about the loss of my dear friend and your family member. She was such a special lady and will be missed by many. I love you Melinda and miss you and I'm sorry I wasn't there. But we will meet again one day! Rest in peace.

“ *Melinda and I became friends at Moore Jr. High. We would take turns spending the night at each other houses. We shared a lot of laughs together. Back in time we would listen to Barbra Streisand's album "Funny Girl" and sing and sing. I'm sure we also sung the current hits too. Later in life, I would usually run into her at El Charro's on Fifth/Loop where we would catch up. Always had that sweet smile. I had not seen her in a while, so I didn't know she had gotten sick again. I will miss catching up with her. I will always remember the fun times we had. Sad heart .. Love and Prayers to her family.*
