“ *Pam, I was associated with Melvine for years in the National Secretaries back in the 70's! She was such a sweet, sweet person! I can still see her smile and hear her laugh. She was such a devoted Mother and Wife. It was obvious how much she loved her family. The years have passed, but my love for her remains. God bless you all.*

“ It seems such a short time ago that Melvine was the secretary in the 8th grade Sunday School at FBC, I was the director; therefore, when the class teaching began Melvine, Paul Arnold and I would begin our visiting. Melvine was a legal secretary at that time and Paul is a veterinarian and I belonged to several organizations and we knew much of Tyler news and shared all the news we had learned that week. We had so much fun for about 3 years and I accepted another responsibility and never knew as much about Tyler again. Then, an exercise class was begun and Melvine and I participated. That was a riot. Melvine wore an exercise wrap around over the leatards because she was so modest. That did hamper some movements, which made it more fun.

What a wonderful person and how much I enjoyed her friendship. I am sad that she was incapacitated for so long, but I know that her sense of humor and warm personality never left her.

I am sorry I missed her Celebration of Life, I learned about her going home today.

May God keep all the wonderful memories before you and remember how many friends she had who will also keep wonderful memories.

God love you,
