Ms. Branin, born September 10, 2001, passed away Saturday, December 3, 2022, in Tyler after a 16-year fight with epilepsy. Micayla never gave up and never let epilepsy get her down. She never lost her smile and never lost her spirit or strength.

“ I remember Micayla was one of the first to come up and grab Brianna at Kamp K and make her feel at home. That made me feel so much better about leaving Bri there since she was so comfortable with her. She was a sweet friend to Haley when she followed Bri to camp a year later. She made a special effort to come to their birthday celebrations and kept up with them throughout the year. She was a special person and holds a special place in our hearts

“ You made camp so fun and memorable for me and Bri. I think my favorite memories are when me, you and bri would sit in the pool at camp and all talk together and hit the pool ball inflatable each time it was thrown our way. And the game night/movie night they did the first or second year was the greatest and so much fun. We miss you so much ❤️

“ So sad to hear about sweet Micayla. She was great friends with my girls. They met at epilepsy camp. She got to come for a couple of birthday parties so I got to meet her. You fought a strong fight.
