Hello Our Michael. We miss you, but we're so happy for you right now. Thank you for making our lives so much richer by our having had you with us. Thank you for watching over us and providing us with your guiding light. We'll never walk alone and our boy child that grew into a fine young man will continue to watch over us, protect us, and defend us. We'll just look over our shoulders ... and we know that you'll be there. I'll talk to you later ... and one day, I'll see you across the river.
I love you,
Mimi

“ I worked with Michael Allbright, he was one of the hardest working young men that I've ever seen. He wanted to learn as much as he could on the job. He had a big heart and loved his family. He was a great friend for those who wanted a friend, yet not one to cross. It was truly an honor working with Michael and I'm proud to have called him friend. Your smile and laugh will be missed. Rest in the presence of God and the angels, until we meet again my friend.

“ Dear Allbright family,

Michael spent time at my house on many occasions with my son, Brock.

I've never met a more polite and respectful young man. He knew he was always welcome.

I'm so sorry for your loss. I pray God covers you in His healing, strength and peace.

Our family loved Michael so very much.
