“ *What a great and funny guy. "Butters" was full of life and love. If he saw you down or mad he made sure to make you smile or laugh... I'll always remember that bubbly personality and infectious grin. Peace Buddy,*

“ *Michael, my best friend, my confidant, my brother. You took care of me. I will always miss your love of music and how you would sing and dance when you really enjoyed a new song. All the times we went out to eat together. All the birthdays we celebrated together. I treasure our relationship in every aspect. You always told me how strong you thought I was, and couldn't help but think that you're the strong one. I love you, big brother. Watch over your niece, Ava. She will know you through the amazing memories and pictures we share with her.*

“ I knew him from business. He was such a respectful young man. I always enjoyed our conversations. He gave me a recipe after he became a chef. I think I'll make in his memory this weekend. Rest peacefully. You were a true pleasure and will be missed!!!
