“ Your family is always in my prayers. He was a very kind and a fun person to be around. He was like a second brother to me I will never forget how he laughed, smiled, and how he was always having a good time.

*“ Words are hard to come by to describe the loss that we are all feeling. You will be missed more than you will know. You were my first nephew and you always made our family proud. I am thankful for the time I had with you growing up to be the fine man you became. Your laugh, your smile, that keen sense of humor that made you unique and special. You were always there for your family. You helped raise your two sisters and never complained. All I have to do is look at pictures of you to put a smile on my face.
Watch over us until that day when we meet again.*
