“ *I just wanted to update this. It's been nearly 17 months since you passed away, my sweet and funny husband. I miss you so much. Time does take the edge off things and I think you're probably really proud of me for handling things and for my journey toward recovery. However, I will always, always miss you and love you, regardless of where life takes me. I was so blessed to have you in my life. In fact, you were one of the biggest blessings of my life. I cherish every memory. You honestly never brought me anything but joy and laughter. What a great man you were.*

“ Mike and Ricky Poland and I lived in the same "hood" at LONGVIEW DRIVE and BLACKNALL Drive in Henderson during the first half of the 60's. My Sister Beth was in the same class with Mike at school. Steven Crim, Don and Judy Lowe, David and Martha Sue Harper, and Carl Don Kee, were just a few us kids that always had something going on. We'd wait for the School bus to pick us up in the Poland's front yard. We'd all come out when we heard the music from the Snow Cone truck coming up the street. Mike's brother Ricky and I ended up being in the same Ground School course to get our pilots license over at SHREVEPORT in 1976 and rode together over there once. Mike and Rick's grandparents, The Smarts, kept my Mother's yard for her over on Shawnee Trail for many years. Many events I hadn't thought about for ages until now.

“ Kinder-garden, little league baseball, 6 thru 12th grade, the loud laugh is time and memory I will have of Mike. My mom grew up next door to his mom and my dad worked with his dad for Hunt Oil and they were Gaston Red Devils. I have memories of playing at his folks house on Longview Dr. Remembering him telling me when they lived in Shawnee Village, the Anthony's lived next door and John always had a cooler of Jax beer in back of his truck and Mike said he would just help his self (at night). John told me later in years he knew Mike and his buddies were helping them self. (I bet you buddies remember that.) Have not seen Mike since 40 year class reunion, but he still had that laugh. My thoughts and prayer are with you Melanie, Jamie, Robert, other family members and friends at times like these. Brent Hale and Kathryn

“ *Who can share just one memory of Mike Poland? We had too many great times. We chatted just last week and had planned to meet up. His last words to me will be understood by a few and held tight within our memory, “Four and no more”. One day, I’ll see you on the other side. My condolences to all. Gregg Moore*
