“ Met Mike many years ago on a dove hunt he and Will put on near Breckinridge. Mike was a very gracious and engaging host. I went away from that trip impressed with Mike and the caliber of the men he surrounded himself with and called friends. I feel fortunate to have enjoyed his company on my subsequent occasions afield and at shooting competitions around the state. He will be missed by many!!

“ Sandy,

Iris and I extend our sincere sympathies to you and your family at the passing of Mike. He was a great guy. He and I started out buying and selling property about the same time and evaluated many deals together over the years, which included you and I officing and working together. His spirit is now in perfect peace with his Saviour, and the trials and tribulations of this life are all behind him. I trust God will bless and comfort you now and in the days to come.

“ *Our family loved Mike--Many a weekend he would disappear with my Dad and brothers to hunt or fish. Always had quick wit and a big smile. He was a loving husband to Sandy and a wonderful father and grandfather. I bought my first lab from him--Tucker. Loved Mike and I know he will be missed by his family and many friends. God Bless*
