“ Diana, Tracy, Amy, and Kristi,
We were so saddened to hear of the passing of Mike. We loved and appreciated him and your entire family so much. We will never forget the positive influence he had on David in the choir. Diana, we had so many close times during the years we worked together and I think of you often. Our thoughts and prayers are with you. We may see you tomorrow but don't know if it will be possible. David's wife is in hospital and has many health problems. I will call later. Love all of you.

“ Mike and I worked very well together at Mt. Pleasant High School. He was actually one of the smartest guys I've ever worked with and a man who had talent; real talent. What a gifted singer! I will never forget singing with him from time to time at special events in MP. WoW!

Mike was also one of the best educators on the planet - he was a visionary, he knew how to build in support for teachers and other campus leaders and he knew when to step in and make a tough decision. Oh, he was a GREAT choir teacher too - the best!

The thing I respected most about Mike was how much he talked about (shared real stories) and how he loved his family. Crazy about his girls - all of them. I have two sons and Mike helped me understand the do's and don't's of parenting when they were very young - always, always supportive and interested in how they were doing.....what an expert!

I will miss my friend Mike Peacock -

“ Mr. P was a the kind of teacher you would count as a friend too. You always knew he cared. I'm sad he's gone, but I'm glad I had the chance to know him.
