“ I remember Mr. and Mrs. Bradberry from Nederland.....and Pam, who I went to school with. She was a inspiration to everyone. In 2001 I moved to Center, Tx. I was in front of my store, on my tractor, one Sunday afternoon when I saw a car pull in, and stop. I got off the tractor, went over to the car, only to find Mrs. Bradberry. She had seen me when passing and turned around to make sure it was me. What a surprise, and a very good surprise. I discovered she lived just down the road from me. We visited awhile, talked about Max Bradberry, and had a good time. It is a very small world, and a very short life we live. Make the most of it, and remember your friends. I remember Mrs. Bradberry, and I remember you Pam. My heart goes out to you and your family for the lose of your mother. She was a GREAT person.

“ One of the sweetest ladies that I have ever known. She and her husband Max were like a second mom and dad to my brother and I. She will be missed by everyone that knew her. I loved her very much!
