“ I am so sorry to hear about the loss of Millie. She has been one of the joys of my last few years of leading an exercise class at The University of Texas at Tyler for a number of women who had previously participated in several research projects.

Millie and I walked and talked together and then had coffee together with the Early Morning Risers. She was a companion to me whom I always asked to pray for my needs and those of my family. She was a devoted Christian and in a better place but I will miss her terribly.

Unfortunately for me, I am still in Michigan so will not be able to attend her service. I just found a copy of her obituary this afternoon-- sent by Suzanne Dailey- via Donna McCoy.

My thoughts and prayers are with you, the members of her family,-- and Gaylon of whom I also think very highly. God bless all of you during this difficult time.

When I get back to Tyler in October I will surely make a contribution to the Salvation Army in Millie's name.

With deepest sympathy and love.

“ I am so sorry for your loss. I didn't know Millie real well but I did work with her on a few occasions at the SAWA clothing store. She was always so helpful and had a smile on her face. She will be greatly missed by all the women that worked/knew her. Prayers and Blessing to her family.
