“ Tanya and Keith,
I want you both to know that even though we cannot be with you during this very sad time our hearts are joined with yours. Losing Aunt Minnie is like losing a little more of our childhood. There were a lot of good times when all of us got together for reunions and visits. She was a wonderful lady. Our prayers and love are with you both. God Bless, Deb

“ Another loss from the "great generation" who didn't know the words give up or give in. Like so many of her generation she was a fighter who overcame many personal hardships and trials of life. Weaker individuals would have given up long ago, but she persevered. I pray she has finally found the peace of God and can now exchange this life of hardship for one of peaceful rest in the arms of a loving Savior. Her legacy of strength is evidenced and carries on in her loving daughter Tonya and son-n-law Keith. I pray the memories of the difficulties of Minnie's life battle will be replaced by humorous and tender memories of her life and relationships, and that you smile often as you think of her.

“ Tonya, even though it's been many years since we've seen each other, I still have vivid memories of our years living next door to you and your family on Summer Street. I was always a little in awe of your mother. She seemed so independent. She had a job, her own car, and she always seemed so put together. My thoughts are with you and your husband.

“ It's good to know that Minnie lived a long, full life. I remember that she could find a laugh in the simplest of things and she never took herself or life too seriously. She worked hard but never complained about it - just took it in stride. I believe she was the first person I'd ever met who knew "French", as she asked that it be excused on a few occasions (lol). I have only good memories of her.

“ Tonya, I am so sorry to hear of the passing of your mother. I remember her well from the years when you, your dad and mom were our neighbors on Summer Street in Hot Springs. Your mom worked with both my aunt and my mother and they remember her fondly also. Please know that you and your husband are in our thoughts and prayers.

“ I am so sorry that I did not get acquainted with Minnie. She was in Clairmont which I visit rather often. I, too, was born at Bear, Arkansas. The Burroughs family was faintly connected to my husband's family. I have been to their rock shop near Mt Ida. I grew up in Mtn Valley Ark where I knew both Jim Bledsoe and Johnny Johnson, great grandparents of Keith Johnson. Bertie Bledsoe Johnson was one of my favorite people. She had the cutest little boys. God bless you as you suffer through your loss. It is tough.

“ Tonya your mother was a wonderful lady, very loving. Over the years we've had a lot of fun with her, she had a fun personality. We're glad you had the last few years together to really get close with her. She will be missed, she'll be your guardian angel. Love to you both.
