“ Nancy and I were very close even as we grew up. I told her brother about the last time we saw each other in Fredericksburg Tx and we said goodbye with our old childhood game of GOTCHA LAST and we would tag each other. We tagged each other at the same time and said it was a tie and gave each other a great big hug. I loved her very much. Rob Sadler

“ My heart is saddened by the news of Nancy’s passing. A dear friend and Christian that led by example. I’ve only known her for a little over a year, but I feel as if we’ve been friends for life. I will be praying God’s comforting arms to hold embrace this family during this time.
