“ *Sharon, my heart goes out to you and your family in your loss. Our good friend Von is right; Moms are indeed special. I am sure this is very true about your mother, in knowing you. My arms are around you all. I know your dad is tucking the blanket around her, now and forever, and are both in God's loving embrace. They are together again, and at peace. Please accept my deepest sympathy and condolence to your loving family.*

“ Our condolences to the Hukill family. Nelda was a special lady. Her children used to babysit for our kids Kevin and Kelli when they were growing up on Suanne not to far from Friendly where we all went to church. Our prayers are with the family.
