“ *Oh my precious mother. You are so loved. I don't know what I am going to do when I can't see your beautiful face, hear you sweet voice, and most of all your hugs and kisses. I know you are so much better now. You have been the most wonderful mother that a girl could ever have. Rest well mom. There will not be a day that goes by that I won't think of you and miss you. My heart is breaking. I love you with all my heart and soul.*

“ Sweet Nana! Our world isn't as bright without you here. I'm so thankful God chose you to be my Nana, I just wish He let us have you longer 💔. My heart breaks without you here, but I know you're in a much better place & I long for us to be together again one day! ✨ One of the many things I miss about you is how you made us all feel so loved & adored... no one could ever love us like our Nana loves us... I'll miss how you'd always call us the sweetest names "sugar pie, honey bun, darlin Angel" and all the precious nicknames you had for us... always so loving & caring & how you would always comment on how I was your little brown eyed baby Angel, even though I never loved my brown eyes lol... you always made me feel so special & knew the right words to say to make me feel seen & loved. You had such a gift & cared so deeply about everyone & I'm so fortunate to have been one of your little baby angels... now you're my Angel! 🙏 My favorite memories as a kid were going to see you & Papaw... I remember I never ever wanted to leave & would cry alllllll the way home... or until I cried myself to sleep in the car on the way home, I always felt so loved & so special with you & I never ever wanted to leave && from the time we were kids to adults, you always had the best tickles... we'd just come sit by you & you'd tickle our arms & put us to sleep! Goodness, I miss you so much! I love you... a bushel & a peck & a hug around the neck!

“ My precious nana was one of a kind. Never will there be anyone like her. She was beautiful inside and out. One of my oldest memories of her is when I was a little girl, like 4ish years old, I would go spend the night with her and papaw. Me and nana would stay up late watching Golden Girls and when it was bed time, we would walk through that dark house and I would be so scared, but she would hold my hand and say, “It’s okay baby, Jesus is with us.” As we would walk by that old grandfather clock in the living room, I knew we were almost to the bedroom and I felt safe. We would get in bed and say our prayers together then go to sleep. I can still even see her wearing her long night gown lol. Sweet sweet nana. I love you so much nana and the only thing that gets me through this is knowing you are in a much better place and I know I will get to see you again someday.

“ My precious mother, nothing will ever compare to you! You have always been so loving and kind! You loved me like no other. I never imagined having to say goodbye to my best friend and now I understand deep loss. The void that is left here on earth is now being filled in Heaven where you are walking with Jesus and enjoying all that He has for you. You will be missed more than anything and your beautiful memories and loving spirit will live on FOREVER! Until I see you again...I love you so much momma
