“ I remember growing up in Charlotte with Mr. Rogers (Nolan). His son Jeff was my best friend at the time and I remember that I was always welcome in his house. His door was never locked to me. He taught me many things back then from teamwork to sportsmanship. We went on many camping trips and outings with Indian Guides and he was like my second dad. I was just thinking of Jeff this past weekend and wondered how his dad was doing and I am sorry to hear that he has passed.

“ *Uncle Nolan was a kind and gentle spirit. I don't think I ever heard him raise his voice. He was my favorite uncle too. I was his favorite niece but he would never admit it.. he said he loved us all equally. He was really something special. I will miss him always and will love him forever. Rest in peace Uncle Nolan.. sending hugs to my dad, Jeff and especially my sweet boy Kenneth. I love and miss you all.*

“ *Nolan was my favorite uncle. When I was little I thought he was the most handsome man I ever saw. He was not only my dad's brother but his best friend. They loved to go hunting and fishing together. When ever I came home for a visit he always was there with my dad to take me fishing. One time I even got to go to the deer lease with them and my brother and sisters. We had so much fun on that trip. After my dad passed he was always there for us. He was a kind and strong man and would do anything for his family. I loved him very much and always will. I will miss him but have peace knowing he's with God, my dad, Jeff and Kenneth. I was blessed to have him in my life...rest in peace Uncle Nolan.*

“ *Nolan was my great-uncle, and although he lived in Texas and I in North Carolina, I was privileged to see him at a few family reunions. He was a very nice man who always had a smile, and I am sorry for his family for the loss. You are in our prayers.*
