“ *I worked with Noma at Brookshire's No. 9 in Bergfeld Center from 1973-1976 when we still wore bow ties and red aprons at Brookshires during high school after school. She was a very sweet lady and I remember her well and enjoyed working with her very much after school and on busy Saturdays. What a lovely photo of her - I recognized her immediately after all these years. My condolences to her family. She will be missed.*
