“ *Granny I know you are in a better place and you are with loved ones that you have missed. Its hard though to imagine not being able to hug you or hold your hand. I am so thankful for the time I did have with you. Thankful for you making me laugh teaching me to dance and for being a mother to me. You filled everyone around you with such joy and were so full of life. I will think of you every day and have comfort in knowing you are watching over us. Love you Amber Nichole*

“ *I loved my granny so much. I loved listening to her tell stories of when she was younger. She made me laugh, she would have made a great comedian. She was loving, caring, giving. She loved her family, and she loved God. She could pray, her prayers touched heaven. Now she is rejoicing with her loved ones. Granny I miss you so much, I know you have no more pain. I will see you again one day.*
