“ Patty, Barbara and family,
Your Mother was a "rose" in and of herself - when you observed how frail she had become you couldn't help but notice her delicate inner and outer beauty. Thank you for allowing me the privilege to participate in conducting her funeral service. In my line of work, they suggest that we not get "attached" emotionally to our patients - with your sweet mother, this was impossible. I too will miss her!

“ Dear Barbara and Patty: I am so sorry to hear of the passing of Aunt Oretha. Mother's birthday was today, so I am sure there is much "catching up" going on in Heaven. So many fond memories at your home while we were growing up. My condolences to both of you and your families. May the Holy Spirit wrap His arms around you and give you peace.
Much love, Julie (Howard)
