“ *I will always think about Miss Otha every time I hear Jeopardy or Wheel of Fortune as I know she watched them every day!!!! Also, I will always remember that she would have left much sooner had it not been for the loving care of her devoted daughter. I feel so privileged to have known this sweet lady and will always treasure the memories I have of her!!!!*

“ *"Aunt Mae" was a light in our lives. Over 50 years ago she introduced two young teenagers and lit the flame of love in their hearts. Through the decades she always made us feel as if we were her special couple. She served as a beacon keeping us united closer with the family. The earthly beacon is diminished now, but we know that Heaven has a brighter star that will some day help guide us home.*

“ *To be 100 years old, she had a remarkable mind, remembering things that happened in our life back in the 1930's. She was my Sister, and lived with us til I was almost grown. I cherish her memory and love her still.*
