“ Martha,
My memories of Oscar and you are from that joyful wedding day on the deck. I'd never seen such happy smiles. I'm so glad you were able to share these years together. I know you've been a great blessing to him during his journey 'home.'

“ What a GREAT uncle. I'm fortunate to have more than one great uncle, but Uncle Oscar was the one who would come to visit and come to our school affairs while we were growing up. After that he kept track of my daddy for me and if I couldn't find him, I could call his brother who would know where to find him. We had lots of good times at the house with the little lake going fishing in the boat almost as big as the lake. I will miss him greatly. Much love to all the family.

“ Great-Grandpa lived to 101. Pa lived to 92. Aunt Dee to 87. Uncle Oc to 89. It is a great blessing to be a Lindström. You were a tribute to our heritage. You served your Lord with honor and was blessed with many days. I am proud of the way you lived. You are my favorite Uncle. You never past a road you did not want to go down. It is the Lindström way. You were chosen for that eternal road, and so you have made that final turn. We are Lindströms. We serve our Lord, we pass through in obedience. We begin anew. We are Lindströms. We love and serve the eternal God.

“ Oscar was a dear friend & fishing buddy of my dad Jeff Lovelady in Rusk, Texas.

They had some wonderful time together until Dad's health began to fail. Oscar loved my mom's cooking. We will always treasure the fond memories we have of him. Maybe he & Dad are having a grand time at the throne of our Lord.

Our thoughts & prayers are with all the family.
