“ Pat was one of those quiet, unassuming women easily overlooked in this crazy world.

But if you took the time to stop and listen you'd see what her friends saw: A woman of great sensibilities whose caring and grace was outshined only by her Faith and love of her God.

If only we could all have that.

“ I worked with Pat for three years and she's a wonderful person and friend. Always with a smile even when she didn't feel well, she would have a smile and a kind word. I will miss her greatly.
