“ Andrew's bright spirit charmed me from my first conversation with him when he was four years old and continued to bring a smile to my face whenever I was around him over the following four years. My heart goes out to his grandparents, extended family and Mom and sister as they deal with his loss as well as Patrick's. With the deepest sympathy, Joni and Skip

“ My heart is with you all.
I did not know Patrick all that well, the times I was there he was out working on something or HUNTING!
I did get to spend time with Andrew & EJ.
Andrew was one of the best kids I have ever met, truly. He was passionate in everything he did and he LOVED to fish and hunt. He would sit and tell me stories like a grown man about his favorite fish to catch and why!! So intelligent, so strong. I will always remember him that way and my heart is forever changed. I love you all so much.

“ Not sure where to start I have so many fun memories with Patrick. One of the last times I saw Patrick he was such a proud dotting da watching Andrew drag my kids all around the property to check on his raccoon traps. Talked to him just last week and I take comfort knowing that he was in a great place and loving everything about life.
