“ Aunt Pat was like a second mother to me and my sister. We spent at least a week or two of every summer with her and our “double” cousin Russ, and I loved pretending her beautiful home was mine! She loved working in her yard and her beautiful flowers showed off her green thumb. One of my earliest memories were her amazing felt board Bible characters she used in telling the children about Jesus. Her home was always a gathering place for our family get-together a. I will always love her and will miss her very much.
