“ Pete was larger than life. He brought joy with him wherever he went as he wore his heart on the outside. You never had to wonder what he was thinking- it always involved his 3 favorite things: his family, which was his greatest happiness, UT, which was his most competitive point, and Jesus, which was his most passionate cause. Pete, you are missed, but I know you are dancing on those streets of gold dressed as Miracle Man!

“ You left this world way to soon, my heart is heavy. You couldn't ask for a better person. No matter where I was at, when I saw you, you always spoke with kindness, either at San Pedro's, New Life, Chili's or even in Brookshires Chandler. My husband Powell speaks highly of you and will miss the talks together. Until we meet again. Blessings to your family.

“ Pete has left this life too soon. In school we were all like family. Even though we all went our separate ways after high-school, our hearts did hold some good memories. FB connected us again & it was so good to see his life and all he held dear to him. He loved serving and The Lord that was evident...Awesome & Amazing! He is an angel in heaven now, keeping watch over his Family. It's not goodbye, it's see you soon Pete!

“ Oh my Peter Pan where to begin!!! I feel so incredibly blessed to have been able to linger in your life!! There was never ever a dull moment when we were together!! I remember there were times you had to get onto me for something and after you did you always reminded me at the end of my shift you loved me :) you were so wise with your life lesson advice! It was hard seeing you go cause of course I wanted to be selfish and keep you here to laugh with!! But I'm so relieved you aren't in pain anymore! You have done your work on earth and God was ready for you too come home :) your on my heart and mind every second! And remember I wanna be your neighbor in heaven! “ Pete,
Every time I was around you, you always made me laugh. You are an amazing person and I was so blessed to have known you. I remember my first waitress job at El Chico and you walked in the door. As soon as you looked and smiled at me and shook my hand, I felt like I had known you forever. You and your family will always be a part of my life and I am forever grateful for the times I had with you. Love you!!

“ I remember when we were growing up how every Christmas we would get a group together and go around singing Christmas songs. On New Years eve Bertha and Ramos would have a party and cook a pig's head in the ground and everybody would come to celebrate. Pete, you were raised knowing what made a good family great. You will be missed by so many people, especially your wife and children. RIP my friend.
