“Peggy was amazing. She was so much more to us than our school nurse, and an awesome nurse she was! She was also a friend to all, a counselor, a shoulder to cry on, a Christian who lifted us up.... Peggy had a teacher's heart and took great pride sharing the things she had learned in life. Her passion, though, was her family. She loved her children and grandchildren dearly, and I know she must have been a great blessing in their lives. We will miss our precious friend.

“ I am heartbroken by the loss of my dear friend. When I remember Peggy, I will remember her joy and laughter. We shared so many stories, praises, and concerns with one another and she always gave God the glory. Peggy's favorite thing to talk about was her family. I feel like I know all of you. My comfort now is her love of the Lord, and there is no doubt in my mind where she is.

God bless you all as you grieve the loss of this beautiful woman.

“ Peggy was special to so many. She was a woman who was full of joy and was always a joy to be around. She had a special heart for those in a difficult time and was a prayer warrior for her friends and family. Just last week she came in to my classroom to pray with and for me about situation I was going through. I thank God that I was blessed to know Peggy. She will be terribly missed.

“ Peggy was a dear friend and professional colleague. Her christian faith sustained her in times of challenge and she was always holding friends and acquaintances in her thoughts and prayers. Her dear children and precious grandchildren were the light of her life. All the time spent with them she cherished and she could not have been more proud of them!
Peggy's generous heart, love of children, and her spirit will be so greatly missed....she is in heaven now and will watch over all she loved. Her light will shine in all who knew her. My condolences to all her family...it will be so hard not to have her here in our world....she was a very special person to all who knew her.

“ I worked with Peggy at TARGET and loved her very much. What a sweet, precious soul! This quote sums up her loving spirit to me:

Have a heart that never hardens, a temper that never tires, a touch that never hurts. ---Charles Dickens

Peggy loved the children at our school dearly. One of my favorite memories of her was at the Head Start Valentine Party this year. I was walking by the classroom and Peggy called me to join her. She was sitting in the rocking chair (a place of honor) with a sparkly crown on her head and a piece of cake on her plate! The children adored her. She loved life and her Lord and we all will miss her.

“ I had the pleasure of working with Peggy at PACE High School. Peggy was so much more than a nurse to our kids. She was also their friend, advisor, mother, etc. She always put the needs of the kids first. Just last week, she organized a career fair for our students, the first one we ever had. It was a great success. She will be greatly missed. My thoughts and prayers go out to you.

“ Paul, It's so hard to put into words the loss I feel in my heart. I am so sorry for the emptiness that you feel losing your sister. Even though we are miles apart I feel your pain. Peggy was always so happy and loved her family very much. I will miss her smile. I know she is with the Lord, but I still would like to hug her one last time and tell her how special she is.
