“ *Percylee was a very special lady and a special friend to me! I have many fond memories of her sitting behind my desk at St. Andrew Lutheran Church, San Antonio, answering phones and making anyone coming to the office feel welcome. I know you all have suffered a great loss but also have lots of stories to remember of your mom and grandmother. She told me of her great love for all of you and how proud she was of all her family! May God's love and the love of family and friends give you comfort and strength through this difficult loss. Blessings, Berniece*
