“ *Over almost 50 years there are way to many memories to share. Here is one that will stick with me forever. I was in the Davis's driveway working on ( looking on really) Steve's soon to be car, a white Corvair. I remember asking Mr. Davis if "we" we're going to do something. I don't remember what that something was. His reply was an remediate " You got a frog in your pocket?" I knew he was asking me, who's we? He had a great wit and would always answer me in a witty sarcastic way. I always felt like that was his way of telling me that he liked me. We joked a lot. I never told him but I really did look up to him gonna miss him.*
