“ *Praying for all the family. May God's peace blanket you. So many fond memories of "Uncle Perry" flood through my mind but his smile and laugh and love of family come to the forefront. I remember his enjoyment in using his talents working with wood and painting. And I will never forget the day he walked in our house with a box for Carolyn with two LIVE ducklings, loving named Donald and Daffy by our two year old. He loved giving and sharing, and never missed an opportunity to make someone smile. So thankful for his part in my life.*
