“ I worked with Phil at Region VII ESC in Kilgore, and am proud to say he was not only a fine co-worker, but a friend, also.. Always with a great sense of humor, he was also a great educator. He will be missed by so many. My thoughts and prayers are with his family; may God's words give them comfort in the days ahead. I regret that I will not be able to attend the funeral.

Was Pastor Phil a pastor in Granby, Colorado or Hot Sulfur Springs, Colorado in 1977? Not sure if this is the same Phil Woods. I had hitchhiked cross country to California as a young hippie and he let me spend the night sleeping in one of the pews in his church. Gave me breakfast money the next morning. Told me all about Jesus. I became a born again Christian in California shortly thereafter at the age of 20. I'm 67 now.

“ Mr. Wood was the superintendent of schools during my two years teaching and coaching in Bullard. I taught summer school one summer to have enough money to take a vacation to the Grand Canyon. Upon hearing that the business department was not scheduled to "cut a check" in time for our departure, Mr. Wood came to my classroom with the check in hand and wished me a safe trip. Just a small memory but one of many I will keep.

“ We heard yesterday, it brought back so many memories. We, as families had many good times in Diana and Hughes Springs. These made me smile as I looked back. Our heart and prayers are with you and yours. May you all fill the peace that only God can give.

“ Our family has such wonderful memories with your family. We loved Mr. Wood and all of you. Your home in Diana was a happy place to go. I remember how sad we were when your family left our community. My momma and daddy helped your parents move to Hughes Springs. All the times you were at this house while Momma made Becky's Yamboree dress were happy times as well. What a loving and kind man Mr. Wood was. So sorry for your loss. Love and prayers to your entire family, but especially to you, Becky and Lana.
