“ Rachel,
You were one of the most genuine people I have had the gift of meeting. Your amazing laugh and sense of humor always made me smile and often cringe at the stitch in my side. I will and do miss your radiance, humor and ability to always challenge me. You will always hold a special place in my heart and memories.

“ I met Rachel in August of 1999 when we worked together at Hastings. I'll be honest, I didn't like the girl...thought she was bossy! I let my gaurd down and was so glad that I did because she became one of my closest friends. She was so funny and could make me laugh when I didn't even want to. I wouldn't have made it as long as I did in Tyler if it hadn't been for her. I missed out on a few years with her and we had luckily started talking again this last Christmas. I was going through Rachel withdrawals...needed someone to quote Steel Magnolias with and laugh with. I am so blessed to have had her in my life even if it was briefly! My prayers go out to the family and everyone that loved her! I'll miss you so much, Rachel!

“ I have been trying to find Rachel since we graduated. I finally found her, and how upset I am. Rachel was a loving person, always helping out people, and doing anything she could do to help anyone. I am so sorry about your loss. I am sorry I cannot make it to the services, I just found out today, and the viewing starts tomorrow. If when the services are done, if you have any obituary papers left, I would be honored to receive one. Rachel, I love you and you will never be forgotten. You all are very blessed to have had her in your lives as well as I am. Love Mandy

“ Rachel was a special person. She was a student in my English 10 Honors class at Dodge City High School. I remember her as always willing and eager to help other students who needed any assistance. She was always there with a friendly smile and a cheerful greeting. I know her family and close friends will miss her.

“ My heart goes out to all of you. Rachel always made me smile and I have so many memories to cherish of her. One of my favorites will always be the day Rachel, myself and my son Greyson played outside with the waterhose. We were so cold and soaked, but it was one of the best days ever. I also enjoyed the days she would come by the house and promise not to wake him up, but do it anyway just to play with him. Or the nights with Sandy & Mandy just being girls dancing or singing around the apartment. She will be missed so much. I am grateful I was able to have her in my life for a little while.

“ Rachel and I have known each other since grade school. I remember when all the neighborhood kids would play softball at the empty field next to her house during the summer. She was a wonderful person and she will be missed.
