“ You will be deeply missed my friend. Your smile could light up the room and your giving heart will always be remembered. I will miss our talks and you sharing all your wonderful recipes (especially the sweet potato recipes that we both love so much)! My prayers go out to the Dumas family at this difficult time. May God continue to wrap his arms around you all. I am sorry I have been out of town this week and not able to attend the ceremony. You all will continue to be in my prayers. We will meet again!

“ Steven & I grew up together and shared a lot of great times when were young. From playing football for the Dixie Dragons to playing little league baseball plus attending the same schools throughout our childhood. He was always smiling and fun to be around. He will be greatly missed and on this day I am thankful for his friendship. I pray the Lord gives his family strength and understanding during this very difficult time. Rest in peace Steven. You will never be forgotten!!
