“ When I would see Mona I would think about when we(me, mom (Docie), & dad(Ray)) would come down to visit Uncle Al & Aunt Minnie @ the little house on the hill near the Oil Palace when I was a young girl and Mona was very never to busy to play with me even though she was older than me she would always play w/me. I will miss her dearly. To the family God is always by your side during the good times and the sad times. Its important to keep her memory alive and never forget the good times. God Bless you.
