*You were one of the oldest of the fun sweet kids growing up across the street. Always seemed like no matter what, you were all so close and so much love between you.. I'll never forget all of you hanging out in the driveway all the time and how busy the house was with kids coming and going. I always knew you were going somewhere important in life Blake Kelly. You have made your mark for sure and now you can rest peacefully. Yes you will be missed dearly here on earth but your loved ones will hold you in their hearts until.... This is not good bye this is until we meet again.*
