“ Our our hearts are filled with nothing, but love and fond memories of Reba. We remember her love for children, family and most of all her Lord. Ms. Reba, as we referred to her had a giving heart and was always ready to bless and help others in their time of need. What a joy it was to not only know her in this life, but to know we will see her again in our eternal home. We regret not being able to attend her service, but as heaven rejoices at her arrival our prayers and condolences are with her family as they mourn her departure.
