“ *Debbie,  
I am sorry I could not attend your mom's service last Wednesday. I had to be in Dallas that day. Thelma sent me a screenshot of the post on Facebook. I am thinking about you. My mom passed away 2 years ago, and I miss her a lot. Please know that you are in our thoughts.*

“ *Debbie and Kerry,  
I can't tell you how sorry I am to hear this news. I called every home here in Athens looking for her last Mother's Day, but of course she was not here and I had no idea how to contact either of you.*

*Reba was such a great friend to me and I'm really sorry I didn't know of the service until today (Thursday). My love to you and all your family.*

“ *What a lovely lady and friend. She was one of the first to welcome us to Athens. A faithful member of our Sunday School class until her illness kept her away. I have missed her sweet smile and presence. To her family I send love, thoughts, and prayers.*
