“ *Becky was the most upbeat and happy person that I have ever met. She was always dedicated to her work and also loved what she did and talked about her family often. Atleast we know that heaven has gained an angel. God Bless...*

“ Bobby, Missy & Blaine, you are in my prayers. Becky became my friend from the first time we talked, even before I started to work for the City. When I did start to work, she made me feel like I was part of the team immediately. She was always an encourager to me in anything that I was working on. We spent a lot of time talking about our lives, our families, what we would do when we could retire, etc. Our time spent on our TAP teams and Toastmasters will always be remembered fondly. Toastmasters will not be the same without her. I know Becky is with her Lord and Savior and that is a comfort to all of us that miss her.

“ Becky was tenacious, dedicated, & steadfast in the face of a challenge. But under all of those qualities necessary to get the job done & done well, was a softer more fun loving side. That was the side of her we got to see at Toastmasters. Becky began Toastmasters a bundle of nerves about speaking in front of others, but in mere months blossomed into a confident and positive leader and role model. Our club will be just a little quieter because we have lost our best cheerleader. My heart goes out to her loved ones.

“ I am an engineer and contractor in Tyler. I knew Becky on a professional level only. Becky was the most dependable resource at the City of Tyler. She was always patient, knowledgeable, and helpful. It is not often that one develops a friendship based on the random and busy schedule of development and construction, but Becky Higgins was my friend. She was a wonderful public servant and it was a privilege to work with her.

I was so sorry to hear about your wife's passing. I didn't know her that well and sadly, you or I didn't spend that much time together either, however we were always bonded by the Gunn name. You are in my thoughts and prayers at this difficult time. Frances, Joe, and Lynn are also thinking about you.
Love,

“ I didn't know Becky very well until Toastmasters. She was very energetic and full of enthusiasm. At Toastmasters she took her roles with gusto. When we first started the club, she was scared to give her first speech. With her fulfilling leadership roles, she grew and was an inspiration to all of us. We will greatly miss her. I know that she is now cheering with the Lord. God bless her family and may the Lord comfort you as only He can.

“ Bobby, Missy & Blaine, you are in our prayers. Eddie & I love your family and pray for comfort for you as only our Lord can give. Becky & I shared many times together since we met at Bethel when our two Missy's were only four years old. We worked VBS, shared our cheerleaders games and then CHS drill team. Becky and I were roommates on several of the trips with the drill team when we chaperoned the girls.

We will miss her sweet smile and laugh. Wish I could give you all a hug. Knowing where Becky is helps.

She will be a wonderful angel and will greet us all when it is our time. Hugs to each of you as we feel a loss also. Love, Connie & Eddie

“ It is hard to grasp that Becky has already crossed the finish line. Working side-by-side for 8+ years and sharing life's journey through good and bad made a strong bond between us. Being able to share our faith and the many times we prayed together, that made us sisters.

My heart is heavy for you, Bobby, and your family. I sincerely pray that you will sense an overwhelming presence of God's love for you as you face the days ahead. Remember: when we cannot trace His face, we trust His heart.

Bobby, I'm remembering the times I've heard you sing Beulah Land and how it blessed so many. I'm trying to picture what it must be like for Becky...standing now in the golden city in the very presence of Jehovah.

I will meet you at that finish line and what a day it will be!

Much love and prayers,

“ *Enthusiam and a smile was always given by Becky to anyone who knew her. She never waived from a challenge and strived to be the very best she could be in all that she did. She loved the Lord which was evident in her life.*

She was an encourager to many and though often serious, Becky knew how to have fun.

Becky will sadly missed but I know I am a fortunate soul to have know her, worked with her and laughed with her for the past 10 years.

“ To Becky's loved ones,
May the peace of God that passes all understanding guard your hearts and minds in Christ Jesus. Becky will be missed by all, but none so much as you. The pain you feel is real, but so is the deep peace He gives. Cling to the Savior and allow the Paraclete (Holy Spirit)to comfort you.

“ Dear Bobby, Blaine and Missy,

My heart goes out to you for your loss. Please know that you are in my thoughts and prayers.

Unfortunately I will not be able to attend the graveside service as Mother had stint(2) procedure on Friday,6/25, in Plano. I am staying with her to keep her on track with the doctor instructions as her dementia is such that she cannot remember.

Mother and I will be praying for the entire family and ask God for his gracious goodness to give you the strength and understanding to not question his timing but to thank him for the years of love and devotion he has provided. Only he has the answers and I pray for his devine resolution to enter your heart and soul.

Please know that we love and cherish you. Becky is now sitting at the feet of our loved ones that have gone on before us.

Our sincerest sympathy to you all.

My thoughts and prayers go out to her family and many friends. I know that we will all miss her greatly. To Becky's family...take comfort in that she loved you all very much. She always spoke with such love about each of you almost every time we had an opportunity to visit.
