“ *Becky was larger than life, full of spirit and always kind to me. She will be missed. I'll never forget her "big hair" days when she'd have to drive to work with her head cocked to one side because the roof of her car was too low. I'll miss her smile and her laugh. May she rest in peace and my God give lift up her family and friends.*

“ *Becky was a beautiful lady in every sense of the word. Her sweet disposition, constant smile and concern for others' feelings and happiness was an example for us all to follow. Like all who knew her, I was sad to hear that she's gone home, but I do believe Heaven is a bit brighter place today because she's there. I know she did that for all of us who shared a portion of her life's journey. May God bless all who pass this way. Becky would have wanted it so.*
