We are thinking of you and praying for you and your family.. Words are no good at times like these. It may seem like just more words, but I know deep in my heart that the Lord can see us through when we don't believe that even "getting through " is possible. We send our love and our sympathy.*

“ I have been in shock since I heard the news as I know you all are! She was Too young! But as I was told when I lost my infant daughter, sometimes God has to pick a rosebud for his garden of roses. We'll never understand. I send my love and deepest condolences. My heart is truly burdened for all of you!

“ Mom,

I cant even begin to explain how I feel right now...I loved you so much and was so close to you. I think about you every second of the day and will just begin to cry. Mom you meant the world to me and I looked for you for help and guidance. I still dont know why God took you from your daughter, but he must have a perfect plan for you in heaven. I hope you enjoyed my letter that I said during your funeral. I LOVE YOU SO MUCH MOMMY!
