“ *Fantastic and ethical lawyer, no matter which counsel table he sat at -- a good lawyer, a better man, and a great friend. No doubt he's playing Heaven's back nine today!*

“ *Richard was a "cops" lawyer for certain He was smart and expected everyone in the Justice System to do their best each and every time. I loved having the opportunity to work with him and know without a doubt he is in a better place where there is no more pain or suffering. I saw him come to work many a day when he didn't feel up to it but always said "justice has to carry on" God Bless you Richard Kennedy and I thank God we had the time we had together.*

“ I ran into Richard last week at the Rusk Co. Courthouse. As always, he was happy, happy to see me, and loved hearing about my kids. From the day I met him, he was always just a good guy. Judge Kennedy and family, I'm sorry for your loss. Richard was a special guy.

When I got the news that Richard passed, I was in shock. As I visited with others, they had the same reaction. Richard was so kind and a true DPS supporter! Richard...you will be greatly missed and forever remembered. Condolences to your family.

Richard Kennedy was a gentleman and a scholar. In the truest sense of those terms. Highest intellect. Unerring sense of ethics, of right and wrong. Unswerving sense of mission and purpose. Uncanny sense of humor. A zealous defender of freedom, on both sides of the aisle-- overlooked no one, protected everyone. We will all miss Richard, but we should challenge ourselves to carry forward his memory, a shining example of strength and faith.

Richard will be sadly missed around the Rusk County Courthouse. A lawyer who sought Justice everyday and a rational way to achieve it. I, like, many others enjoyed having him practice in my court. I pray for your loss and God bless each of your during this time. Judge Chad Dean
