“ Nancy, I want to extend my condolences to you & your family with Dicks passing. I have so many wonderful memories. They seem to be so long ago and yet my "Continental Days" have had a huge impact on my life. I learned alot from him & he certainly had an influence in my life. I will keep you in my prayers. God is with you.

“ Nancy, I am sorry to hear of your loss and wanted to drop you a note.

Al and myself thought the world of Dick and we will miss him as well.

He was a wonderful guy with a big heart and a great sense of humor.

We still think about him and are sickened to hear of his passing. May the Lord comfort you through these difficult days.

Love

“ Dear Nancy, Troy and family,

We are privileged to know you and Richard. We have shared some happy times with each of you and especially etched in our memory is Richard and his humor and always hopeful and positive outlook. I always remember the day that Marley came home from the hospital and Richard was in the same hospital, desperately sick. I was so sad because I was afraid that he would not get to know "our" little girl and I knew he would love her and she would love him. Well, nine years later and she will have so many, many memories of him and you, Nancy, and the two of you together. I am so thankful for that. Troy's tribute is beautiful. We love you all dearly, Jill
