“ To Kelley, Stacey, Katey, Aunt Jean, Billy and Edmy, and family, I wish that I could have been there with all of you and although I was not there in physical presence my heart and soul were. There is nothing that I can say that could make this any easier. I can tell you all just how much I love you and how much I adored Ricky. Through out different times in my life I can remember sitting with him and the family and those are the memories I will cherish the most. You are all in my thoughts and prayers. I send you all my love and if there is anything that I can ever do for any of you please do not hesitate to call. And Kelley thank you for bringing such joy to Ricky's life--his love for you was written all over his face. May God be with all of you!

Love with all my heart, Pam, Dan, Alyssa, and William

“ To my best friend and nephew who was more than a nephew, but a younger brother. We shared so many fun and good times as children, from counting the stars to popping firecrackers. I love Ricky and he is so dear in my heart. My love goes out to Kelley and the girls. May God bless them in this loss.

Love always, Jan.

“ Dear Thompson family,
You all are in our thoughts and prayers at this very difficult time. We feel very blessed to have known Ricky and he was such an inspiration to so many. I know my son Robert was always excited to go to youth activities because of Ricky. He was always there with a huge smile and a pat on the back. Ricky will be missed by all of us, but we know he is with many friends in Heaven. Please know we love you all and hope you find the comfort you need.
