“ Doctor Allen, Stacey and Stephanie, We are so sorry to hear of the loss of your mother. We haven't had contact with your mother (or father) in a while, but believe this - your mother was a very special lady so kind and always nice and understanding. She spoke with us both on several occasions about you girls and she always asked about "our" two girls, and we shared a lot of similar fond memories and special statements about each of you and we laughed a lot at some of the cute things mentioned... Your mother was VERY VERY proud of "her" girls and of course, "her" husband! We will miss Rita's sweetness and kindness and our prayers are with each you during this sad time .. Doctor Allen, YOU KNOW you have always been special to us and you are a great person in our book ... one definitely to be admired .. and just know we are thinking of you and the girls ...
