“ *My Dearest Momma,
You will NEVER know how much you are missed. Not a day goes
by that I don't think of you.
There is a void that will never be filled.
Give Jesus a kiss for me.
I LOVE YOU. ❤️*

“ You always took care of Buddy and I when we were very young. You helped me through some hard times and have given me some of the few fondest memories of my childhood. You always took me to Dairy Queen for a coke (remember the paper straws?) Once I asked for a coke and you didn't have any money...not believing you, you showed me the only two pennies you had. I was so ashamed of myself. On 7/30/62 you mailed me a postcard from California with a horsey on it. You said you missed and when you got back you would take me for a coke and then you and me and Juanita would go out back and "swing up a storm" and "I love you hon, Rita". I still have that card and will cherish it always. Recently you gave me a heart necklace with a tiny paper attached that read "My Lori". I will also cherish it and wear it with love, always. Thank you are all you did for me and all you were to me. You will always be "My Rita" forever and always.

All my love and respect always!

"Your Lori"

“ Billie and family...my heart hurts for our loss of your precious Rita. I regret I never got to know her well. I can say this...from my heart and I've expressed this to my family and friends that "she was an angel" and now...she truly is. Billie...Rita found the love of her life in you and visa-versa. May you and your family rejoice as her memory and soul will always be with you. Rita will always be with us...to me that is the greatest comfort. Lori and I pray that this will only bring you closer as Rita would have wanted. We're always just a call away....Love Steve Arvin

“ Rita pretty much took care of her brother Buddy when he was little. He remembers her giving him money for candy if he would bring her an ICEE back (which of course he would have to run back so it would not melt).

We always remember her with her family which she loved so much and took so much pride.

My sister went to the same church as Rita & Billy and remembers the wonderful testimony that she gave to the church.

To Billy and the entire family I can tell you that Rita will always be in your hearts. It is okay to cry because we miss her; but remember that we will meet again when God's purpose for our life is fulfilled.

We have you all in our thoughts and prays always
